

I Can Use The Phone!

Parent: In school, your child has learned about communicating. It is important that he/she can use the telephone in case of an emergency. Keep important phone numbers by the telephone. Be sure your child can read them. Practice dialing the phone together. Tell your child who to call in an emergency (neighbor, police, grandmother, fire dept., etc.) Thanks for your help!

My name: _____

My phone number: _____

I live at: _____

If I need help fast, I call these people:

Police: _____

Fire: _____

Poison Center: _____

Use the spaces below for other important numbers, such as your number at work, or the number of a close neighbor, etc.

Objective: To practice using the phone
