

# What Should I Do? Whom Shall I Call?

Name: \_\_\_\_\_

Date: \_\_\_\_\_

In class, we've been talking about ways to stay safe when there is real danger. Knowing what to do and how to get help, especially if you are not at home, is one important way to stay safe. Please take this opportunity to review what you want your child to do if you're not at home and:

- ▼ the telephone rings
- ▼ there is a fire
- ▼ a family pet is hurt
- ▼ a stranger comes to the door
- ▼ your child feels ill
- ▼ someone you know is at the door
- ▼ see an unlocked gun (or other weapon)

Then, help your child make a list of important phone numbers he or she can call. Your child can cut it out and keep it handy.
